

Cookie Policy

Last updated: 22 August 2022

This policy applies to your use of our website (the “**Website**”).

1. What are cookies?

A cookie is a small text file that can be stored on your device when you visit the Website. We use cookies and similar technologies to collect information about how you use the Website.

2. What types of cookies do we use?

2.1 We use the following types of cookies:

- **Essential cookies.** They are necessary for the Website and its features to function properly.
- **Functionality cookies.** They enable us to provide tailored content and a more personalized user experience. They also help us know more about how you use the Website.

2.2 The lists below give you transparency into the cookies and similar technologies we use.

Name	Type	Purpose	Cookie Duration
Google Analytics	Functionality cookies	▪ To measure how users interact with the Website. ▪ To provide and protect the security of the Website. ▪ To give us a sense of where users come from. ▪ For site personalization and advertising purposes.	No more than 26 months.

3. How to manage your cookies preferences?

You can manage your cookies preferences following the instructions below:

You can opt out of Google Analytics’ collection and processing of data generated by your use of the Website by clicking [here](#).

4. How to contact us?

If you have any questions about this policy, please contact us at op@signalplus.com.
